

FAQs

What is the Cat Nap Challenge anyways?

The Cat Nap Challenge is an event benefitting the Williamson County Regional Animal Shelter's medical fund. The Challenge is a counterpart to the 5k Woof Walk and Wrun. If you can't devote the time or energy to an early morning run, you can register to sleep in instead!

Where does the event take place?

The event takes place in your own house. The beauty of the Cat Nap Challenge is that you don't even have to get out of bed to participate.

When does the event take place?

The event day is on April 30th. But you can participate in the challenge at your own convenience. Sleep in an extra 30 minutes. Sleep in for an hour! Get up and run your errands, and then take a snooze in the afternoon! The Cat Nap Challenge is flexible to your schedule.

Why should I participate?

Because you can help save animals! WCRAS is an open-intake shelter, which means we must take in any animals found in our jurisdiction. Every year, we serve about 7,000 animals and have maintained at least a 90% save rate since 2010—granting us the distinction of being a no-kill shelter. This results in high medical expenses. In 2014, we spent over \$50,000 on treatments.

Unfortunately, we rely solely on donations to our medical fund to deal with health and behavioral issues of our animals. When you register for the Cat Nap Challenge, your money gets donated to this fund and helps us continue our mission to save as many animals as we can!

But what's in it for me?

Even though helping animals is a pretty great reward in and of itself, every registrant also gets a goodie bag with our sincerest gratitude. The goodie bag has a t-shirt, a sleeping mask, and a variety of small items from our sponsors.

How do I participate?

Head on over to our website at pets.wilco.org to register! Then sleep in on April 30th! It's as simple as that. Connect with others on Facebook, Instagram, or Twitter using #WilcoCatNap.
